Kate Louise Cole

Hi, I'm Kate Louise Cole. A photo/fashion model, passionate about achieving my potential in this industry. I model mainly Commercial, Fashion and Beauty, though also enjoy fitness and wellbeing work. I love travel and am available for work anywhere in the UK and globally.

Petite, slim and athletic with an engaging personality. I have the versatility to present well in formal, casual and fitness settings and in addition, my clear complexion suits beauty assignments. I am confident and fun in front of camera and approach my work with positivity and optimism.

***Did you know** ... I have led successful industrial and commercial organisations in 9 different countries!*
